### **STUDENTS CAN SAVE BIG WITH MOUNTAIN LINE SEMESTER PASSES**

**FLAGSTAFF, AZ (July 25, 2013)** – Mountain Line is expanding its successful student pass program for the 2013-2014 school year, now offering a more flexible semester pass option for K-12 and college students.

Flagstaff students enrolled in a K-12 school can purchase a Mountain Line semester pass, which is valid from the first through the last day of the semester (actual start and end dates vary by school), for \$49. An annual pass, valid for the entire calendar year, is available for \$149. Both the semester and annual pass is valid on the entire Mountain Line and Mountain Link system for the duration of the pass.

Any student attending a university, college, technical school, or any other post-high school educational program, is able to purchase the Mountain Line college/university pass. The semester pass, which is valid from the first through the last day of the semester, costs \$99. An annual pass, valid for the entire calendar year, is available for \$299. Northern Arizona University students ride the Mountain Link system, which connects the campus with downtown Flagstaff and Woodlands Village, free of charge, but this pass will give them access to the rest of the Mountain Line system.

Student passes are available for purchase at the NAIPTA office at 3773 N. Kaspar Dr. between 8 a.m. and 5 p.m., Monday-Friday. In order to purchase the pass, all students must show proof of enrollment and bring a student ID, if applicable. Passes can also be purchased at [www.mountainline.az.gov](http://www.mountainline.az.gov) and will be mailed to students.

The NAIPTA front desk staff is happy to answer any questions about routes and the best way for students to access their individual schools. Call 928.679.8900 for additional information.
